## Location

Ballymahon is a well-established regional midlands town located to the south of County Longford within close proximity to its border with County Westmeath and Lough Ree. The town acts as the central hub for commercial, business, banking and entertainment activity serving the wider surrounding hinterland.

The immediate area has benefitted in recent years from the €250 million Centre Parcs development which is Ireland's largest holiday and water park set on self-contained facilities extending to 400 acres and employing 1,000 staff. Importantly, the immediate area is set to benefit further from Centre Parcs' €85m planned investment in the expansion of its facility adding 200 holiday lodges and creating an additional 250 permanent jobs.

## The Property

Cooney's Hotel comprises a modern purpose-built 12 Bed Hotel & Hospitality complex developed in 2006. The property is laid out with Hotel Reception, Public Bar & Lounge, Restaurant, Kitchens, Stores and Services to ground floor level complemented by bar stores and coldroom to basement level. First Floor comprises 6 en-suite bedrooms together with function and conferencing facilities. Second floor comprises a further 6 en-suite bedrooms together with resident's lounge and meeting room with all bedrooms serviced by a passenger lift from the reception lobby.

Externally the property enjoys the benefit of vehicular access off main street leading to a large enclosed rear car parking area.

Importantly, the property also benefits from the recent addition of an exterior sheltered and heated al-fresco dining area that can be utilised throughout the year.

## Extension Potential

Whilst no planning applications have been lodged, the Cooney Family have recently engaged their Architects to provide an overview of a potential application to develop additional services and increase the guest bedroom count.

In summary these plans include ground floor extensions to comprise a new hotel foyer & reception, new function room and events space, and a new leisure centre with gym, spa, hydrotherapy, hair salon and treatment rooms. The upper floor extensions accommodate 20 bedrooms to first floor level and a further 24 bedrooms to second floor level laid out with a mix of double, family, triple and suite rooms which combined would increase to total bed count to 56.

Externally the plans provide for 50 designated car parking spaces to the rear of the hotel.

## The Opportunity
